

YES, I will be a member of the Builders Club

Please let me know when construction is to begin for each new Habitat for Humanity Carlsbad Area home and I will help by donating:

- _____ \$50.00 for one square foot of the home
- _____ \$100.00 for two square feet of the home
- _____ Other amount \$ _____

NOTE: A letter will be mailed just prior to each new build asking for your indicated donation. The organization attempts to build two homes each year, but circumstances such as lack of funds or home applicants may not allow that to happen. An average of 1.6 homes have been built each year since the first home was completed in 1999.

Name: _____

Address: _____

If church or business, please provide the following:

Name of contact person: _____

Address if different than above:
